OUR TEC GUARANTEE

We guarantee that the quality of a TEC will be the same as new.

We guarantee the availability of any TEC component.

If Tigercat does not have a TEC item in stock, the equivalent new part will be provided at the same price as the rebuild.

Our remanufactured items carry the same **6 month, 1500 hour warranty** as new components.

Our experienced TEC team and state-of-the-art testing facilities ensure the highest quality in rebuilt components.

Our rebuilt components are **discounted an average of 30%** from new.
