TCi[®]

SECURE™

The SECURE program provides additional coverage that begins after the standard warranty period on drivetrain components has ended. SECURE increases drivetrain component coverage to 3-year/6000 hours, with no deductible.

SECURE DRIVETRAIN covers major hydraulic and drivetrain components. Extended free RemoteLog® subscription to 3-years for RemoteLog equipped machines.

SECURE DRIVETRAIN+ covers major hydraulic and drivetrain components and includes limited TTM (travel time and mileage) allowance over the 3-year term. Extended free RemoteLog subscription to 3-years for RemoteLog equipped machines.

SECURE DRIVETRAIN+ ENGINE covers major hydraulic and drivetrain components as well as the engine and includes limited TTM (travel time and mileage) allowance over the 3-year term. Extended free RemoteLog subscription to 3-years for RemoteLog equipped machines.⁵

SECURE ENGINE is standalone extended Tigercat FPT engine coverage to 3-year/6000 hours, including limited TTM (travel time and mileage) allowance over the 3-year term.⁵

LEARN MORE

SECURE can be purchased with a new machine or anytime during the standard drivetrain warranty period.

Contact your TCi dealer to find out more about SECURE.

- 
- ¹ Centre section warranty is contingent on regular inspection and maintenance procedures outlined in the Scheduled Maintenance section of the Operator's Manuals.
 - ² Structural warranty for all products produced by Tigercat Industries is contingent on structural inspection and maintenance procedures outlined in the Scheduled Maintenance section of the Operator's Manuals. Refer to individual warranty certificate and the Operator's Manual or contact your TCi dealer for additional information regarding inspection procedures and structural component coverage and limitations.
 - ³ Drivetrain components generally refer to hydrostatic pump and motors, auxiliary pumps, axles, transfer case and driveshafts. Warranty and SECURE coverage is contingent on performance of regular oil sampling at the owner's expense as outlined in the Operator's Manual. Refer to individual warranty certificate and the Operator's Manual or contact your TCi dealer for additional information.
 - ⁴ Comprehensive Warranty covers repair or replacement of components, which fail under normal use due to a defect in materials or workmanship. Wear items are not covered by the Comprehensive Warranty. Refer to individual warranty certificate or contact your TCi dealer for additional information.
 - ⁵ A deductible applies to SECURE Engine coverage. Contact your TCi dealer for additional information.

Tigercat Industries reserves the right to change terms, conditions and disclaimers at its sole discretion and without notice. Changes are effective on the date the warranty/SECURE coverage is valid. Valid warranties/SECURE coverage remains in effect.
